

Polish cookery session

REGULAR monthly cookery workshops are once again being hosted by Deveron Projects.

May's Food Chain will be led by Anita Krasowska, the organisation's Erasmus Intern, who will be sharing how to make sweet and savoury Polish Pierogi, filled and boiled dumplings and a staple from Anita's homeland.

The workshop is on Monday from 6pm to 8pm in Square Deal.

A donation of £5 per person is suggested, payable on arrival in cash.

E mail jess@deveron-projects.com to book a space.
